

Table Trac obtains significant regulatory requirement milestone

MINNETONKA, Minn., October 19, 2018 -- Table Trac, Inc. (OTCQB: Table Trac) achieved an important milestone when the Nevada Gaming Commission unanimously approved Randy Gilbert, the Company's CFO, application for licensure as a key employee.

Importance of Certification

Pursuant to Nevada Gaming Commission Regulation 16.410; The Commission shall require application for finding of suitability and may require licensing of any officer or employee of a publicly traded corporation whom the Commission finds to be actively and directly engaged in the administration or supervision, or any other significant involvement with, the activities of a corporate gaming licensee. The Principal Financial Officer (CFO) is deemed by the Commission to meet this mandatory licensing requirement. This approval completes the current licensing requirements for key employee licensing at the Company.
