

Winnedumah Winn's Casino, a California High Sierra destination, chooses CasinoTrac

Minnetonka, MN, **January 4,** 2018 – Winnedumah Winn's Casino has contracted with Table Trac, Inc. (OTCQB: TBTC) to install their CasinoTrac online slot management system. Winnedumah Winn's joins a growing number of California casinos that have chosen Table Trac's innovative system.

Nestled in the scenic Owens Valley in the Eastern High Sierra between Kings Canyon National Park and Death Valley National Park, Winnedumah Winn's Casino offers park goers and skiers a fun and exciting gaming retreat. Now with the addition of a new CasinoTrac system with full featured players club, the location is enhancing that experience.

“Our customers just want a simple to use and reliable solution” Said Chad Hoehne, President & CEO of Table Trac Inc., *“Table Trac’s system uses a dependable Linux server platform and web service architecture, and that means a familiar user experience for the staff, as easy to use as popular social media websites, and that means less time training, and faster customer service”*.

Don Bracken, Vice-Chairman at Winnedumah Winn's Casino stated, *“We are excited to have this state of art accounting and player tracking system, which will enhance the gaming experience and customer loyalty at Winnedumah Winn's Casino.”*
