TABLE TRAC INC. CONTRACTS WITH CASINO IN COSTA RICA

MINNEAPOLIS, Minn., June 7, 2007,- Table Trac, Inc. (TBTC.OB),

a Gaming Systems provider to small and mid-sized casinos, whose patented Table Trac system monitors the operation of casino floors, is pleased to announce that it has contracted to provide its comprehensive gaming floor system solution to a casino in the beautiful vacation destination country of Costa Rica.

"We are very excited to become the complete casino systems provider to the *El Presidente* casino in the country of Costa Rica. The General Manager of the property is anxious for the installation as he said he was so impressed with the complimentary reports about Table Trac from other customers in Central America", said Robert Siqveland, Director of Marketing.

"This sale is anticipated to be the first of several in Costa Rica", concludes Siqveland.

About Table Trac, Inc. - www.tabletrac.com

Table Trac, based in Minnetonka, Minn., has developed a patented real-time system that automates and monitors the operations of casino gaming tables. It provides casino management with comprehensive information including linking table games activity seamlessly into an automated environment that provides instant information about the entire casino's table gaming status, along with slot machine play, players club, accounting, banking and games security.

Some statements contained herein are forward-looking statements. The company's actual results may vary materially from the forward-looking statements made above due to important factors including, but not limited to, variability of order flow, future economic conditions, competitive products and pricing, new product development, the delivery of product under existing contracts and other factors. Additional information concerning factors that could cause actual results to differ materially from those in the forward-looking statements made above is contained in the following documents on file with the U.S. Securities and Exchange Commission: the company's Registration Statement on Form SB-10, filed January 13, 2000; its Form 10-KSB for the year ended December 31, 2006; and Quarter Reports for Form 10-QSB.
