### **CASINO TRAC (Table Trac Inc.) RECIEVES ANOTHER SYSTEM CONTRACT**

Minnetonka, Minnesota, June 11, 2009 --- Table Trac Inc (TBTC.OB), announced today that the company has entered into a contract with the Thlopthlocco Golden Pony Casino, Okemah, Oklahoma to install Table Trac's patented Casino Management system.

Chad Hoehne Table Tracs president and Chief Executive Officer, commented, "We are pleased and honored to be chosen by the Thlopthlocco Golden Pony Casino to provide the products and services covered by this agreement. The Golden Pony has one of the most beautiful and accessible locations in Oklahoma. We look forward to working with them."

Golden Pony General Manager, Carl Noon, explains "for us, given the competitive nature of our market, 66 casinos within a 100 miles, the combination of the system's innovative promotional modules as well as price and value considerations made **Casino Trac** the obvious choice."

"Since our successful development of the Class II and Class III integration in 2006, designed specifically for our Oklahoma casino customers, we have been providing consistent operational reliability and continue our commitment to what we describe as *cutting the cost of cutting edge*. Golden Pony is the 12<sup>th</sup> location in the Oklahoma jurisdiction to become a customer," added Hoehne.

### **About Table Trac, Inc. - [www.tabletrac.com](http://www.tabletrac.com)**

Table Trac, based in Minnetonka, MN, has developed a patented real-time system that automates and monitors the operations of casino gaming tables. It provides casino management with comprehensive information in an automated environment that provides instant information and statistical reporting about the casino's gaming floor, players club, accounting, banking, and games security.

Some statements contained herein are forward-looking statements. The company's actual results may vary materially from the forward-looking statements made above due to important factors including, but not limited to, variability of order flow, future economic conditions, competitive products and pricing, new product development, the delivery of product under existing contracts, and other factors. Additional information concerning factors that could cause actual results to differ materially from those in the forward-looking statements made above is contained in the following documents on file with the U.S. Securities and Exchange Commission: the company's Registration Statement on Form SB-10,

filed January 13, 2000; its Form 10-K for the year ended December 31, 2008; and Quarter Reports for 2009 on Form 10-Q.
