**KEETOOWAH CHEROKEE CASINO SELECTS TABLE TRAC'S – CASINO TRAC
SYSTEM**

MINNEAPOLIS, MN - May 14, 2010 - Table Trac, Inc. (TBTC.OB), a developer and provider of casino information and management systems that automate and monitor the operations of casinos, today announced that it has signed a definitive agreement to install its Casino Trac casino management system in the Keetoowah Cherokee Casino in Tahlequah, Oklahoma, a business enterprise of the United Keetoowah Band of Cherokee Indians of Oklahoma. The system is expected to be deployed immediately and Table Trac anticipates revenue during the present quarter.

"We are excited to be chosen for the Keetoowah Cherokee Casino. Our continued focus on delivering quality products and customer value, nationwide and in Oklahoma, is reflected by our continued growth," commented Chad Hoehne, Table Trac's President and Chief Executive Officer. "We thank the community and the property for their confidence and we look forward to a long and prosperous relationship."

Rod Fourkiller, General Manager of the Keetoowah Cherokee Casino, commented, "We evaluated every competing solution and completed a lengthy review before selecting Casino Trac, and we are confident this solution will meet our growing needs. Casino Trac will enable us to take the best care of our most important asset,

our loyal customers through Casino Trac's innovative, industry leading player tracking and awards solution. We look forward to deploying this solution and benefiting from the efficiencies and features of the Casino Trac system."
