**TABLE TRAC, INC. CONTINUES GEOGRAPHIC EXPANSION, ENTERS  
MONTANA MARKET**

**MINNEAPOLIS, Minn., June 22, 2010 - Table Trac, Inc. (TBTC.OB)**, a developer and provider of casino information and management systems that automate and monitor the operations of casinos, today announced that it has signed a definitive agreement to install its CasinoTrac™ Casino Management System in the Fort Belknap Casino in Harlem, Montana, a business enterprise of the Gros Ventre and Assiniboine Tribes of Montana. The System is expected to be deployed immediately and Table Trac anticipates recognizing revenue during the present quarter.

This is the first CasinoTrac installation at a Tribal venue in Montana. The Company has 27 installations in seven states and five countries.

"Fort Belknap Casino marks an important milestone for Table Trac and our first installation in Montana," commented Chad Hoehne, Table Trac's President and Chief Executive Officer. "Given the value and innovation in CasinoTrac's system, we believe it is the perfect complement for Fort Belknap Casino. We are gratified they have decided to replace their existing casino management system with CasinoTrac, and we look forward to a long and mutually beneficial relationship."

"We are delighted to be the first Montana Tribal Casino to install the CasinoTrac system from TableTrac," said Rob Williams, General Manager of the Fort Belknap Casino. "CasinoTrac's combination of awarding winning marketing components together with their foundation of rock solid casino accounting features put them head and shoulders above other systems we considered. We look forward to growing our business with CasinoTrac."
