TABLE TRAC, INC. SIGNS MULTI-PROPERTY DEAL WITH SEMINOLE NATION OF OKLAHOMA; MARKS SIXTH NEW CONTRACT IN 2010

MINNEAPOLIS MN, Nov 23rd, 2010 - Table Trac, Inc. (TBTC.OB), a developer and provider of casino information and managements systems that automate and monitor the operations of casinos, today announced a multi-property system agreement with the Seminole Nation Division of Commerce. This is the sixth new gaming operator to select Table Trac during 2010.

Table Trac will be providing the Seminole Nation Division of Commerce with three casino management systems to be used at the Seminole Nation Casino in Seminole, Oklahoma, River Mist Casino in Konawa, Oklahoma and the Trading Post Casino in Wewoka, Oklahoma.

"The Seminole Nation is excited by the possibilities Table Trac's System can provide," said Sam Caruso, CEO of the Seminole Nation Division of Commerce.

"Table Trac's new casino management system solution will not only provide us with the accounting and audit functionality that we require from a regulatory standpoint, but equally important, this new system will enable us to link players across each of our three different properties, providing us with a true competitive edge."

"The Table Trac suite of casino management products will provide a total solution for the Seminole Nation," said Chad Hoehne, President of Table Trac. "The

system that we have designed and will implement will enable the Nation to grow and expand by not only leveraging the best technologies, but also by providing enhanced marketing capabilities that each of the three casinos can use to reward its players; whether through SMS text, email or direct mail. This new system will deliver exciting offers and new chances for players to play and win. In the end, the Seminole Nation will be able to deliver a one of a kind entertainment experience."

"The ability to coordinate our gaming operations under one casino management system will be a powerful tool," said Paul McIntire, CFO with the Seminole Nation Division of Commerce, adding, "The system integration will provide us with the latest auditing and accounting functionalities that will help streamline and support our existing operational efforts."

Table Trac will be providing the Seminole Nation Division of Commerce with a complete suite of casino management products, including Reflexive Rewards© patron management, along with Promo Trac, Table Trac's marketing and promotion solution that allows casino customers to convert points and promotional dollars to playable credits.
