TABLE TRAC INC. ANNOUNCES NEW SYSTEM SALES

MINNEAPOLIS, Minn., April 12, 2005 - Table Trac, Inc. (TBTC.OB),

a Gaming Systems provider to small and mid-sized casinos whose patented Table Trac system monitors the operation of casino floors, is pleased to announce that it has completed the successful installation of its newly developed all inclusive online monitoring and player's club system.

"This new product utilizes the latest in communications technologies to combine speed, accuracy and reliability with significant cost savings, and proves that the designs that have been researched and developed by Table Trac Inc. over the past 2 1/2 years, are a success.", said Robert Siqveland, Director of Marketing.

"As reported in its recent 10K report filed with the SEC Table Trac is pleased to announce that Southern Florida's largest gaming cruise ship, has also ordered the online management system. These orders have opened up a new market for the Company, and interest in this product is expected to surpass all sales made in 2004.", concludes Siqveland.

About Table Trac, Inc. - www.tabletrac.com

Table Trac, based in Minnetonka, Minn., has developed a patented real-time system that automates and monitors the operations of casino gaming tables. It provides casino management with comprehensive information including linking table games activity seamlessly into an automated environment that provides instant information about the entire casino's table gaming status, along with slot machine play, players club, accounting, banking and games security.

Some statements contained herein are forward-looking statements. The company's actual results may vary materially from the forward-looking statements made above due to important factors including, but not limited to, variability of order flow, future economic conditions, competitive products and pricing, new product development, the delivery of product under existing contracts and other factors. Additional information concerning factors that could cause actual results to differ materially from those in the forward-looking statements made above is contained in the following documents on file with the U.S. Securities and Exchange Commission: the company's Registration Statement on Form SB-10, filed January 13, 2000; its Form 10-KSB for the year ended December 31, 2001; and Quarter Reports for 2001 on Form 10-QSB.
