TABLE TRAC INC. ANNOUNCES SYSTEMS SALES TO FOUR CASINOS

MINNEAPOLIS, Minn., JULY 18, 2006 - Table Trac, Inc. (TBTC.OB),

a gaming systems provider to small and mid-sized casinos whose patented Table Trac system monitors the operation of casino floors, is pleased to announce that it has received contracts for slot and players club installations in four casinos in Central America.

"This is Table Trac's first systems sale in Central America, and we are confident that we will be seeing more business in this area," said Robert Siqueland, Director of Marketing.

"As a result of our loyal and expanding customer base, our solid performance and support, and certainly our affordable pricing, Table Trac is becoming recognized both at home in the upper Midwest, and beyond in expanding jurisdictions. We expect to be reporting additional contracts in the coming weeks," concludes Siqueland.

About Table Trac, Inc. - www.tabletrac.com

Table Trac, Inc. is a Nevada Corporation, formed in 1995, with principal offices in Minnetonka, Minnesota.

The Company has developed and patented (U.S. patent # 5,957,776) a proprietary information and management system (Table Trac) that automates and monitors the operations of casino table games. In addition to table games management, since 2000 Table Trac has been adding functionality, developing related casino system modules for guest rewards and loyalty club, marketing analysis, guest service, promotions administration / management, vault/cage management and audit / accounting. All of these modules use Table Trac's simple to learn browser based interface. In 2005, the Company launched new products in the areas of customer promotional mailing, gaming machine on-line accounting and management, gaming machine vault cage operations, touch screen customer service kiosks, guest service paging and wireless handheld communications.

Some statements contained herein are forward-looking statements. The company's actual results may vary materially from the forward-looking statements made above due to important factors including, but not limited to, variability of order flow, future economic conditions, competitive products and pricing, new product development, the delivery of product under existing contracts and other factors. Additional information concerning factors that could cause actual results to differ materially from those in the forward-looking statements made above is contained in the following documents on file with the U.S. Securities and Exchange Commission: the company's Registration Statement on Form SB-10, filed January 13, 2000; its Form 10-KSB for the year ended December 31, 2005; and Quarter Reports for 2006 on Form 10-QSB.
